

MEDICAL CHECK UP 2017

Dear player,

To get your first Basketball licence or extend it, the same procedure is necessary. To extend the validity of your Basketball licence you will have to do a (free of charge) medical check-up before January 1, 2018.

As most medical centres will be overloaded with patients in fall and winter we would suggest to set an appointment as soon as possible. Also, the Luxembourg-City medical center is mostly overloaded so, try other centers to get an appointment faster.

What to do ?

1. Call one of the medical centres mentioned below and **set an appointment (see documents below)** on the name of Basket Racing.
2. **Go there on time**, in most cases, being early will help not being at the end of the line. For the appointment please bring a **sports outfit** (T-Shirt, shorts) or wear it under a training suit. Also bring your social security card and vaccination card as well as glasses or lenses (if you need them to see).
3. please **inform the club** (administration@racing.lu) of your appointment so we can contact the Basketball Federation to send them the necessary data.

Medical check-up centres :

JUNGLINSTER	Mme Ernster Viviane	Centre culturel Am Duerf	8, rue du Village	L-6140	Junglinster	26782095 ou 621306203 de 10 à 12 hrs sauf weekend et jours fériés
