

## **US Basket Racing Ballschool Charter 2022/2023**

The city of Luxembourg's only Basketball club « US Basket Racing Luxembourg » (« RACING ») has set as an objective the promotion of the game of Basketball in a safe and encouraging environment, especially for youngsters.

RACING's members such as its administrators, coaches, supporters, referees, officials, players and their parents are supposed to act jointly to achieve this objective. Our club board is open to all suggestions, ideas and helping hands in order to improve !

### **WHAT WE OFFER :**

**The possibility to learn the basics of Basketball, Psychomotricity and Team Sports** under the guidance of **devoted coaches** during the course of a season (September to May) for players aged 5 to 7 (born 2015-2017).

Providing the best possible practice and home game **gym conditions** in cooperation with the Luxembourg-City sports administration in accordance with their rules.

**Providing practice equipment** (balls, gym equipment...)

All RACING members will have **free entrance** (season ticket) to all our home games including men and women top teams.

### **WHAT WE EXPECT :**

- Parents of players in Racing's Ballschool have to provide a fully filled out **registration request and medical certificate** proving the ability to participate BEFORE starting trainings.

- All RACING players and coaches to participate in practices **regularly, being on time**, players **respecting the coaches' instructions** at all times. Players unable to comply with gym, presence, practice or social rules will not be allowed to participate.

- All RACING players to pay the full seasonal **club fee (325 €)** before October 15, 2022 (for registered members during the previous season). This fee is used to cover functional costs of the teams and is due entirely, also for late registrations. Due to frequent abuse in the past, **new members** cannot participate before having paid the club fee.

- **RACING is a Basketball club, not an after-school nursery or playground** for youngsters. As we are a non-profit organization, we expect **parents to provide support** for their children while **not interfering in coaches' work** and decisions.

- By becoming a RACING member the present charter becomes **binding**,
